"GAME ACT."

PURSUANT to the provisions of this Act, the Lieutenant-Governor in Council has been pleased to make regulations as follows:—

Bounty Regulations.

That, subject to the conditions contained in these regulations, bounties shall be given and paid to any person who is the holder of a licence to carry firearms issued under the provisions of the "Game Act," and to any Indian, a permanent resident of the Province, for the destruction within the Province of noxious animals and birds.

(a.) In respect of each mature coyote when killed, two dollars (\$2). In respect of each young coyote not less than one week old when killed, one dollar (\$1): Providing always that these animals are killed within the Province and west of the Rocky Mountains; and provided also that to receive the bounty claimed the whole pelt must be forfeited to the Government:

(b.) In respect of each mature timber-wolf (black or grey) when killed, ten dollars (\$10). In respect of each young timber-wolf (black or grey) not less than one week old when killed, five dollars (\$5): Provided that the statutory declaration and the whole pelt are sent at the claimant's expense to the Curator, Provincial Museum, for verification:

(c.) In respect of each mature panther (so-called cougar) when killed, fifteen dollars (\$15). In respect of each young panther (so-called cougar) not less than one week old when killed, seven dollars and fifty cents (\$7.50):

(d.) In respect of each big horned owl or snowy owl when killed within the electoral districts of Comox, Alberni, Newcastle, Nanaimo, Cowichan, Esquimalt, Saanich, Islands, Richmond, North and South Vancouver, Dewdney, Delta, Chilliwack, one dollar (\$1): Provided that each person claiming the said bounty shall produce the head or carcass

of such owl to any Government Agent or Provincial Constable, and shall satisfy such Government Agent or Provincial Constable that same was killed within one of the said Electoral Districts. The said head or carcass of such owl shall be thereupon immediately destroyed by such Government Agent or Provincial Constable.

Each person producing such head or carcass of said owl shall be entitled to receive a certificate from such Government Agent or Provincial Constable, and the amount set out in the said certificate will be paid to the holder thereof upon presentation by him to the nearest Government Agent.

Each applicant for bounty in respect of any such animal shall, within six months, from the date same is killed produce the entire pelt of the animal to any Justice of the Peace or to any person appointed a Bounty Commissioner for such purpose by the Minister charged with the administration of the "Game Act." The applicant shall, upon such production to a Justice of the Peace, make and subscribe a statutory declaration setting out the fact of his having killed such animal and stating the date on which and the place where the same was killed. The applicant, unless he be an Indian, shall at the time produce for inspection his firearms licence or badge: Provided that any person who has purchased any such pelt from an Indian may obtain the bounty from such Indian by producing the pelt in the manner provided in this section, and making and subscribing a statutory declaration setting out the name and place of residence of the Indian from whom such pelt was purchased, and stating the date on which and the place where the animal is alleged to have been killed by such Indian.

Every such Justice of the Peace or Bounty Commissioner shall examine both ears of each pelt of every timber-wolf or panther so produced to him, and if a hole be found in either ear the application for bounty shall be refused. In case both ears are found to be intact a hole not less than half an inch in diameter shall then be cut in the left ear of the pelt of each mature animal, and the whole pelt of each young animal shall be destroyed in the presence of the Justice of the Peace or Bounty Commissioner, who shall then certify the application for bounty if the same be found to be in accordance with the requirements of these regulations. Such application and certificate shall be in the form approved by the said Minister and when duly completed shall be delivered by the Justice of the Peace or Bounty Commissioner to the applicant. Any Government Agent with whom any such application and certificate, completed in accordance with the requirements of the preceding paragraph of these regulations, is deposited may pay to the applicant the amount of bounty payable thereunder.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in

DOMINION ORDERS IN COUNCIL.

[1101]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of June, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

HIS Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that section 27 of the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands, established by order in council of the 1st July, 1898, and subsequent orders in council, be rescinded and the following substituted therefor:—

27. Licensees are required to keep a bush count of all saw-logs and other timber cut upon a berth, as well as the number of pieces hauled therefrom, in the form of a book to be furnished for the purpose by the Crown Timber Agent. The books covering operations for twelve months ending the 30th April in each year are to be returned to the said agent duly completed by the foreman in charge of operations, who shall subscribe to the affidavit therein.

(a.) All saw-logs and other timber cut upon a licensed or permit berth, or upon unpatented homestead lands within the Railway Belt of the Province of British Columbia, whether merchantable or cull, must be clearly marked with a distinguishing number on scaling end with crayon, chalk or pencil, at the time of scaling.

Numbering will be necessary even when the logs will be sawn immediately or before being placed in the water. The scale of each log and length will be entered opposite its number in consecutive order in a scale book, cull logs being identified by the addition of the letter "C."

Where operations are carried on to such an extent as to require the use of more than one scale book, the books are to be numbered serially with letters of the alphabet in the order in which they are used. These books are to be carefully preserved by the licensee for inspection by the Crown Timber Agent or other officer of the Crown.

No person is authorized to scale timber cut upon Dominion lands other than those authorized in writing by the Minister or his appointed agent.

(b.) The requirements in the next preceding subclause will not apply to timber cut on Dominion lands within the Railway Belt lying south of a line drawn east and west from the town of Yale.

All timber cut within said tract, which is subject to Crown dues, shall be scaled by a Dominion Timber Scaler holding a scaler's licence from the British Columbia Government, and in accordance with the British Columbia log rule.

(c.) The following fees, to which shall be added reasonable expenses, shall be paid for the scaler's services by the licensee or permittee conducting operations:—

For scaling saw-logs and spars, 5 cents per thousand feet board measure; for measuring piles and poles, 5 cents for each 200 lineal feet; for measuring railway-ties, pulpwood, shingle-bolts, or cordwood, 5 cents for each cord of 128 cubic feet.

When the fees and reasonable expenses are not paid promptly on completion of the work, the amount due shall be made a lien upon the timber with respect to which the work was done, or upon the berth from which the timber was taken.

In the event of a licensee or permittee disputing the Inspector's scale, on application to the Crown Timber Agent for the district, a rescale of the timber will be made by another Dominion Scaler, and in such case the person requiring his services must pay such additional expense or cost as may be occasioned thereby.

Provided that if the original scale made be proved inaccurate to an extent of five per cent. on the total scale, a second charge for the work shall not be made.

(d.) The scaling officer shall deliver a copy of any scale made by him to the owner of the timber scaled, upon demand and upon payment of his fees and expenses.

(e.) The Crown Timber Agent, or other duly authorized officer of the Department, shall act as arbiter in any dispute that may arise between a licensee or permittee and the official scaler, as to the measurements of any timber, and his award shall be binding upon all parties without appeal.

(f.) All diameters of logs shall be measured inside of the bark at the top end of the log.

(g.) No timber or sawn logs shall be manufactured or sawn until the same have been sealed in accordance with the requirements of these regulations, and any person violating this provision shall be liable to have such timber or product of manufacture therefrom seized and forfeited, wholly or in part, to the Crown, or pay dues thereon at the rate of five dollars per thousand feet board measure, according as the Minister may direct.

PURSUANT to the provisions of this Act, the Lieutenant-Governor in Council has been pleased to make regulations as follows:—

Bounty Regulations.

That, subject to the conditions contained in these regulations, bounties shall be given and paid to any person who is the holder of a licence to carry firearms issued under the provisions of the "Game Act," and to any Indian, a permanent resident of the Province, for the destruction within the Province of noxious animals and birds.

(a.) In respect of each mature coyote when killed, two dollars (\$2). In respect of each young coyote not less than one week old when killed, one

dollar (\$1): Providing always that these animals are killed within the Province and west of the Rocky Mountains; and provided also that to receive the bounty claimed the whole pelt must be forfeited to the Government:

(b.) In respect of each mature timber-wolf (black or grey) when killed, ten dollars (\$10). In respect of each young timber-wolf (black or grey) not less than one week old when killed, five dollars (\$5): Provided that the statutory declaration and the whole pelt are sent at the claimant's expense to the Curator, Provincial Museum, for verification:

(c.) In respect of each mature panther (so-called cougar) when killed, fifteen dollars (\$15). In respect of each young panther (so-called cougar) not less than one week old when killed, seven dollars and fifty cents (\$7.50):

(d.) In respect of each big horned owl or snowy owl when killed within the electoral districts of Comox, Alberni, Newcastle, Nanaimo, Cowichan, Esquimalt, Saanich, Islands, Richmond, North and South Vancouver, Dewdney, Delta, Chilliwack, one dollar (\$1): Provided that each person claiming the said bounty shall produce the head or carcass of such owl to any Government Agent or Provincial Constable, and shall satisfy such Government Agent or Provincial Constable that same was killed within one of the said Electoral Districts. The said head or carcass of such owl shall be thereupon immediately destroyed by such Government Agent or Provincial Constable.

Each person producing such head or carcass of said owl shall be entitled to receive a certificate from such Government Agent or Provincial Constable, and the amount set out in the said certificate will be paid to the holder thereof upon presentation by him to the nearest Government Agent.

Each applicant for bounty in respect of any such animal shall, within six months from the date same is killed, produce the entire pelt of the animal to any Justice of the Peace or to any person appointed a Bounty Commissioner for such purpose by the Minister charged with the administration of the "Game Act." The applicant shall, upon such production to a Justice of the Peace, make and subscribe a statutory declaration setting out the fact of his having killed such animal and stating the date on which and the place where the same was killed. The applicant, unless he be an Indian, shall at the time produce for inspection his firearms licence or badge: Provided that any person who has purchased any such pelt from an Indian may obtain the bounty for such Indian by producing the pelt in the manner provided in this section, and making and subscribing a statutory declaration setting out the name and place of residence of the Indian from whom such pelt was purchased, and stating the date on which and the place where the animal is alleged to have been killed by such Indian.

Every such Justice of the Peace or Bounty Commissioner shall examine both ears of each pelt of every timber-wolf or panther so produced to him, and if a hole be found in either ear the application for bounty shall be refused. HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

THE HONOURABLE THE ADMINISTRATOR
IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. DOMINION ORDERS IN COUNCIL.

[1101]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of June, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that section 27 of the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands, established by order in council of the 1st July, 1898, and subsequent orders in council, be rescinded and the following substituted therefor:—

27. Licensees are required to keep a bush count of all saw-logs and other timber cut upon a berth, as well as the number of pieces hauled therefrom, in the form of a book to be furnished for the purpose by the Crown Timber Agent. The books covering operations for twelve months ending the 30th April in each year are to be returned to the said agent duly completed by the foreman in charge of operations, who shall subscribe to the affidavit therein.

(a.) All saw-logs and other timber cut upon a licensed or permit berth, or upon unpatented homestead lands within the Railway Belt of the Province of British Columbia, whether merchantable or cull, must be clearly marked with a distinguishing number on scaling end with crayon, chalk or pencil, at the time of scaling.

Numbering will be necessary even when the logs will be sawn immediately or before being placed in the water. The scale of each log and length will be entered opposite its number in consecutive order in a scale book, cull logs being identified by the addition of the letter "C."

Where operations are carried on to such an extent as to require the use of more than one scale book, the books are to be numbered serially with

letters of the alphabet in the order in which they are used. These books are to be carefully preserved by the licensee for inspection by the Crown Timber Agent or other officer of the Crown.

No person is authorized to scale timber cut upon Dominion lands other than those authorized in writing by the Minister or his appointed agent.

(b.) The requirements in the next preceding subclause will not apply to timber cut on Dominion lands within the Railway Belt lying south of a line drawn east and west from the town of Yale.

All timber cut within said tract, which is subject to Crown dues, shall be scaled by a Dominion Timber Scaler holding a scaler's licence from the British Columbia Government, and in accordance with the British Columbia log rule.

(c.) The following fees, to which shall be added reasonable expenses, shall be paid for the scaler's services by the licensee or permittee conducting operations:—

For scaling saw-logs and spars, 5 cents per thousand feet board measure; for measuring piles and poles, 5 cents for each 200 lineal feet; for measuring railway-ties, pulpwood, shingle-bolts, or cordwood, 5 cents for each cord of 128 cubic feet.

When the fees and reasonable expenses are not paid promptly on completion of the work, the amount due shall be made a lien upon the timber with respect to which the work was done, or upon the berth from which the timber was taken.

In the event of a licensee or permittee disputing the Inspector's scale, on application to the Crown Timber Agent for the district, a rescale of the timber will be made by another Dominion Scaler, and in such case the person requiring his services must pay such additional expense or cost as may be occasioned thereby.

Provided that if the original scale made be proved inaccurate to an extent of five per cent. on the total scale, a second charge for the work shall not be made.

(d.) The scaling officer shall deliver a copy of any scale made by him to the owner of the timber scaled, upon demand and upon payment of his fees and expenses.

(e.) The Crown Timber Agent, or other duly authorized officer of the Department, shall act as arbiter in any dispute that may arise between a licensee or permittee and the official scaler, as to the measurements of any timber, and his award shall be binding upon all parties without appeal.

(f.) All diameters of logs shall be measured inside of the bark at the top end of the log.

(g.) No timber or sawn logs shall be manufactured or sawn until the same have been scaled in accordance with the requirements of these regulations, and any person violating this provision shall be liable to have such timber or product of manufacture therefrom seized and forfeited, wholly or in part, to the Crown, or pay dues thereon at the rate of five dollars per thousand feet board measure, according as the Minister may direct.

Saturday, the 22nd day of June, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS Excellency the Governor-General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order and it is hereby ordered that the regulations for the survey, administration, disposal, and management of Dominion lands within the Forty-five Railway Belt, in the Province of British Columbia, established by Order in Council of 17th September, 1889, shall be and the same are hereby amended by rescinding section 9 thereof and substituting the following therefor:

9. (1.) The word "highway" as used in this section shall mean all public wagon-roads, streets, roads, trails, lanes, bridges, and trestles, but shall not include canals, towing-paths or other like public ways.

(2.) The authorities of the Province of British Columbia shall, during the pleasure of the Governor in Council and subject to the provisions of these regulations, be authorized and empowered to make and establish such public highways through or over Dominion lands in the railway belt, exclusive of areas set apart as Dominion forest reserves and parks, but including lands held under homestead entry, contract of sale, lease, licence, or any other form of occupancy, and also including foreshores and lands covered with water, as if the "British Columbia Highway Act," chap. 99, of the Revised Statutes of British Columbia, 1911, as amended by chap. 29 of the Statutes of 1913, were applicable to the said Dominion lands.

(3.) Notwithstanding the powers conferred upon the Provincial authorities by the preceding subsection, the Governor in Council may authorize the location and construction by any person of such public highways as he may deem expedient through any land subject to these regulations, and for that purpose may take or authorize to be taken without any notice and without any consent on the part of the person owning or occupying such land or having any claim, estate, right, title, or interest therein, any requisite area of land, and any existing roads whether the area so taken be or be not in excess of the Provincial allowance for roads, in any section, quarter section, or legal subdivision, and may also enter upon or authorize entry upon any such lands and the taking therefrom of any gravel, stone, timber, or other material required for the construction of such highway or for the purpose of cutting and maintaining any drains that may be considered necessary.

(4.) Whenever any highway is made and declared and has been put into actual use by the public, or whenever the Governor in Council has established a highway as provided in the last preceding subsection such public highway shall become the property of the Province, the legal title thereto remaining in the Crown for the public use of the Province subject to reversion in the case of closing or abandonment as hereinafter specified, provided that the ownership of any minerals under such roads shall not be affected by the making or establishing of any such highway.

(5.) No road so established by the Governor in Council shall be closed up or its direction varied, or any part of the land occupied by it sold or otherwise alienated without the consent of the Governor in Council.

(6.) Whenever any road constructed by the Provincial authorities over any of the lands subject to these regulations is later closed by the same authorities or by reason of abandonment or otherwise ceases to be a public highway, or whenever any road established by the Governor in Council is closed in the manner specified herein, then, in either such case, the part of such highway, if any, which was comprised of Dominion lands when constructed and which at the time of such closing or

ceasing to be used as a public highway, is still situated across or adjacent to Dominion lands, shall revert to and become the property of the Crown in the right of Canada and may be dealt with by the Minister subject to these regulations.

(7.) AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 17th day of June, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 4th day of June, 1918, from the Acting Minister of the Interior, stating that application has been made to the Department of the Interior by William Henry Hammond, owner of the Basque Ranche, comprising an area of about 2,057.5 acres, situated in the Railway Belt near Ashcroft, in the Province of British Columbia, to purchase under irrigation conditions 873.7 acres of Dominion lands lying adjacent to his holdings, all of which it is proposed to bring under an irrigation system.

The lands applied for have been inspected by officers of the Department and reported to be useless for cultivation without irrigation, and that the irrigation of the same is feasible providing water can be secured for the purpose. The lands are vacant and available.

The Minister, therefore, recommends that the lands enumerated in the schedule submitted be sold to William Henry Hammond on the following conditions:—

(a.) The lands sold to be brought under cultivation by irrigation.

(b.) The purchase price to be at the rate of five dollars (\$5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding two dollars (\$2.00) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale, the said purchase price to be paid as follows: One dollar (\$1.00) per acre within one year from the date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent. per annum.

(c.) The necessary water rights to be secured from the Provincial Government of British Columbia; no work to be done on the land until pre-

liminary water rights are secured from the Province.

(d.) The work to be commenced within one year from the date of the authorization by order in council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the provincial authorities in connection with the water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior.

(e.) Examination to be made by engineers of the Department of the Interior on completion of the work.

(f.) Patent to issue, when conditions completed, for these parcels, the irrigable portions of which have been brought under cultivation by irrigation.

(g.) The sale to be cancellable for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.

(h.) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.
